

Helping customers increase profits, decrease expenses, and mitigate risk

## Idle Asset Offerings and Services

Hula Networks provides carriers and large enterprises with the logistical and technical expertise to assist our customers with the identification, cataloging and disposition of network assets both operational and obsolete.

### Hula Networks Overview and Experience

#### SERVICE

Hula Networks will pick-up, process, store, re-deploy, resell, or dispose of your end-of-life network equipment right from your designated sites.

#### HOW

Our valued customers range from the Fortune 1000 to SMB, from service providers and government entities, abroad and international. With more than 10,000 customers world-wide, Hula Networks has both the know-how and then network power to get the job done. Hula has the reach to service customers worldwide.

#### BENEFIT

The expertise that Hula Networks provides allows our customers to focus on their core competencies and leaves time consuming inventory management and logistics to our asset experts.

Various Programs Available

- Remarketing of obsolete Inventory
- Idle Asset management for owned equipment
- Disposal/Scrap

#### REMARKETING OF OBSOLETE INVENTORY

Hula Networks can help companies remarket gear they will no longer use turning a liability into an asset. We have access to multiple markets throughout the globe to get the highest return on your assets.

#### IDLE ASSET MANAGEMENT OF OWNED INVENTORY

Audit of Equipment for configuration, condition, storage, redeployment, and disposal (all such determinations will include your formal authorization of Equipment status and disposition)

#### DISPOSAL/E-WASTE

Data security destruction such as hard drive erasure for working hard drives or destruction of nonworking hard drives and removable media and removal of data storage devices EPA-compliant disposal or recycling of scrap Reporting as requested by you, including providing Proof of Destruction certificates to the applicable manufacturer or designated representative.

**Give Hula a call today, and experience how our idle asset management program allows your operation to realize expected efficiencies and cost reductions immediately.**
